1. On 13 November, the Luftnachrichten Kaserne quartered about 1,200 troops who were red-bordered black epaulets, including some with tank insignia, and black-bordered black epaulets, including some with signal insignia. About 1,000 troops assembled in the barracks yard on 7 November. On 8 November, about 15 soldiers practiced mine detecting with magnetic pack sets on Schoenower Strasse. Vehicles identified departing from and returning to the installation 25X 25X 5. On 19 November, Lieutenant Karyevski (fmu), was identified as the supply officer of a headquarters in Bernau that controlled detachments in Justernark, Nauen, Paaren, and Eichstaedt, 10 km southwest of 25X Oranienburg.
